Notice of Members Meeting

Thank you for your participation as donor and supporting member. The Historical Society and Museum for the California Department of Forestry and Fire Protection has scheduled our annual members meeting at the San Bernardino offices and headquarters of the museum. Join us

Thursday December 11th at 10:00 am.

We are now holding our meetings via the Zoom video-conference app, which also allows for dial-in voice-only access. In order to properly anticipate the logistics needs for a members meeting, this year we are requesting that any member wishing to attend the meeting (either in-person, or electronically) should pre-register in order to assure we have available physical space and technical support available. Your membership will need to be confirmed via our donor rolls, before you will be admitted to the meeting.

Members who wish to attend the meeting should register by sending an email notice with the following information to ADMIN@CalFireHistory.com

- Whether you plan to attend in-person or electronically; **AND**
- Full Name of member and phone number you will be calling from **OR**
- Full Name of member and Zoom account you will be using to login.

Your registration will be verified and you will receive further information by return email. Please complete your registration by Wednesday Dec 10th at 5pm PT to allow time to complete verification and return notices in time for the meeting.

Jan Newman, CEO and Museum Manager
Lee Delap, Assistant Museum Manager

Ray Snodgrass, Treasurer
Stephanie Regis, Secretary

Thank You For Helping Preserve Our History
